

Dear all,

In light of the Prime Minister's address today regarding the Coronavirus pandemic and social 'gatherings' we feel we need to cancel all meetings until further notice. This will include the DD house groups, DD4W, Tots & Tinies, Junction & J2O, Women's Fellowship, and sadly, our Sunday morning services.

This may seem extreme, and perhaps premature, but we feel that we are left with little option at this stage as the situation seems likely to escalate. With the government intending to make daily announcements we believe it will not be long before these recommendations become mandatory and the UK goes into full quarantine.

It is right that, as a church, we are seen to follow government guidelines where possible.

Obviously this decision has been made quite suddenly, and as the situation continues to evolve we will endeavour to keep in frequent contact regarding these matters.
